1 INTRODUCTION

1.1 DECLARATION OF PECUNIARY INTERESTS, SIGNIFICANT NON-PECUNIARY INTERESTS AND LESS THAN SIGNIFICANT NON-PECUNIARY INTERESTS

The provisions of Chapter 14 of the Local Government Act, 1993 (the Act) regulate the way in which Councillors and designated staff of Council conduct themselves to ensure that there is no conflict between their private interests and their public role.

The Act prescribes that where a member of Council (or a Committee of Council) has a direct or indirect financial (pecuniary) interest in a matter to be considered at a meeting of the Council (or Committee), that interest must be disclosed as soon as practicable after the start of the meeting and the reasons given for declaring such interest.

As members are aware, the provisions of the Local Government Act restrict any member who has declared a pecuniary interest in any matter from participating in the discussion or voting on that matter, and requires that member to vacate the Chamber.

Council's Code of Conduct provides that if members have a non-pecuniary conflict of interest, the nature of the conflict must be disclosed. The Code of Conduct also provides for a number of ways in which a member may manage non pecuniary conflicts of interest.

RECOMMENDATION

It is recommended that Committee Members now disclose any conflicts of interest in matters under consideration by the Services Policy Committee at this meeting.

MINUTES OF ORANGE REGIONAL MUSEUM COMMITTEE

1 NOVEMBER 2021

3 PRESENTATIONS

3.1 UTILISATION OF MUSEUM ROOF AND OUTDOOR PRECINCT.

TRIM REFERENCE: 2021/1930

Neil Jones provided notes for general discussion points:

1. The roof.

When the design of the museum was promoted, it was suggested that the roof could support some sculptures that were in keeping with the cultural precinct. There has since been general agreement that this might not be practicable.

However the railing and the lift walls could be considered for murals, photos of historic features of Orange visible from the roof.

2. The sloping steps could be used in some way to support exhibitions.

3. The Southern Forecourt of the Museum / Library/ Gallery could feature temporary pop up exhibitions or could have live performances / readings/ demonstrations relating to or promoting exhibitions.

I have received many comments that these spaces could be used more often, as was originally intended. However, while there have been a number of excellent events, either musical, multicultural, food related over the years, I don't think the Precinct has reached its full potential yet.

The following discussion points were highlighted by each committee member:

Mary-Elizabeth

- 2 years of covid has greatly affected event based activities
- Roof top painting is encouraged and a great idea
- The painting of planter boxes by children for the steps was cancelled by schools from covid
- Encouraging of activating the space (shared space) but in regards to budgets not solely up to the museum
- Light touch points on the roof – there is the weight bearing issue
- When the Gallery/Museum opens there will be an increase in the flow of footwork
- Night time attractions can be investigated
- Vandalism and loitering in pathways is to be considered.

Cr Reg Kidd (Mayor)

- The space has lots of utilisation
- Look at simple features however not on the roof
- Utilise pathways showing various things
- Utilise/highlight gasometer or nearby
- Directional signage flowing on from Byng Street (Future cities upgrade) will create more moving about by the public
- The Eastern Wall of theatre would like considered for a large mural, 3D, interactive to cover up the cement wall.

MINUTES OF ORANGE REGIONAL MUSEUM COMMITTEE

1 NOVEMBER 2021

Elizabeth Griffin

- Are the community aware they can hold events in the area?

Neil Jones

- Photographs painted/displayed pointing to landmarks – what was where in town
- Café and service beyond 3pm

Phil Stevenson

- Permanent benches on roof to catch the northerly sun
- Limits people stopping in the area as the café closes at 3pm

Scott Maunder

- The changing of the lights to different colour globes made the area attractive.

Friends of the Museum to continue discussion/ideas.

RECOMMENDATION

That general discussion was noted.

1.3 DECLARATION OF PECUNIARY INTERESTS, SIGNIFICANT NON-PECUNIARY INTERESTS AND LESS THAN SIGNIFICANT NON-PECUNIARY INTERESTS

The provisions of Chapter 14 of the Local Government Act, 1993 (the Act) regulate the way in which Councillors and designated staff of Council conduct themselves to ensure that there is no conflict between their private interests and their public role.

The Act prescribes that where a member of Council (or a Committee of Council) has a direct or indirect financial (pecuniary) interest in a matter to be considered at a meeting of the Council (or Committee), that interest must be disclosed as soon as practicable after the start of the meeting and the reasons given for declaring such interest.

As members are aware, the provisions of the Local Government Act restrict any member who has declared a pecuniary interest in any matter from participating in the discussion or voting on that matter, and requires that member to vacate the Chamber.

Council's Code of Conduct provides that if members have a non-pecuniary conflict of interest, the nature of the conflict must be disclosed. The Code of Conduct also provides for a number of ways in which a member may manage non pecuniary conflicts of interest.

RECOMMENDATION

It is recommended that Committee Members now disclose any conflicts of interest in matters under consideration by the Ageing and Access Community Committee at this meeting.

1.3 DECLARATION OF PECUNIARY INTERESTS, SIGNIFICANT NON-PECUNIARY INTERESTS AND LESS THAN SIGNIFICANT NON-PECUNIARY INTERESTS

The provisions of Chapter 14 of the Local Government Act, 1993 (the Act) regulate the way in which Councillors and designated staff of Council conduct themselves to ensure that there is no conflict between their private interests and their public role.

The Act prescribes that where a member of Council (or a Committee of Council) has a direct or indirect financial (pecuniary) interest in a matter to be considered at a meeting of the Council (or Committee), that interest must be disclosed as soon as practicable after the start of the meeting and the reasons given for declaring such interest.

As members are aware, the provisions of the Local Government Act restrict any member who has declared a pecuniary interest in any matter from participating in the discussion or voting on that matter, and requires that member to vacate the Chamber.

Council's Code of Conduct provides that if members have a non-pecuniary conflict of interest, the nature of the conflict must be disclosed. The Code of Conduct also provides for a number of ways in which a member may manage non pecuniary conflicts of interest.

RECOMMENDATION

It is recommended that Committee Members now disclose any conflicts of interest in matters under consideration by the NAIDOC Week Community Committee at this meeting.

29 May	<p>Indigenous Veterans Commemoration Service</p> <p>The ceremony continues to gather momentum since its inception in 2007, in uniting Australians to remember and honour the service and sacrifice of indigenous veterans. The exceptional guest speakers and their remarkable stories continue to inspire our youth, indigenous and non-indigenous alike. Since the Boer War, Aborigines and Torres Strait Islanders have fought for Australia. While exact numbers will never be known, it is estimated that 500-800 Aboriginal diggers served in World War I. Five Aboriginal diggers are known to have died fighting at Gallipoli. Anywhere from 3,000-6,000 served in World War II, and in proportion to population, no community in Australia contributed more to the war effort than the Islanders of the Torres Strait. The proud tradition of indigenous service continues today.</p> <p>https://www.rslnsw.org.au/events/indigenous-veterans-commemoration-service/</p>		
3 Jun	<p>Mabo Day</p> <p>Mabo Day is held on 3 June to celebrate Eddie Mabo, who helped overturn 'terra nullius' in a ten year campaign through the courts ending in the historic High Court Mabo Judgment.</p>		
10 June	<p>Myall Creek Massacre (1838) – Memorial Ceremony</p> <p>In 1838 white settlers murdered 28 Aboriginal men, women and children near Myall Creek Station. The massacre is a harrowing reminder of Australia's colonial violence and one of the rare cases where killers were tried and hanged.</p>		
1 July	<p>Coming of the Light</p> <p>This is a particular day of significance for Torres Strait Islander Australians. It marks the day the London Missionary Society first arrived in the Torres Strait. The missionaries landed at Erub Island on 1 July 1871. Religious and cultural ceremonies are held by Torres Strait Islander Christians across the Torres Strait and on the mainland to commemorate this day.</p>

1.3 DECLARATION OF PECUNIARY INTERESTS, SIGNIFICANT NON-PECUNIARY INTERESTS AND LESS THAN SIGNIFICANT NON-PECUNIARY INTERESTS

The provisions of Chapter 14 of the Local Government Act, 1993 (the Act) regulate the way in which Councillors and designated staff of Council conduct themselves to ensure that there is no conflict between their private interests and their public role.

The Act prescribes that where a member of Council (or a Committee of Council) has a direct or indirect financial (pecuniary) interest in a matter to be considered at a meeting of the Council (or Committee), that interest must be disclosed as soon as practicable after the start of the meeting and the reasons given for declaring such interest.

As members are aware, the provisions of the Local Government Act restrict any member who has declared a pecuniary interest in any matter from participating in the discussion or voting on that matter, and requires that member to vacate the Chamber.

Council's Code of Conduct provides that if members have a non-pecuniary conflict of interest, the nature of the conflict must be disclosed. The Code of Conduct also provides for a number of ways in which a member may manage non pecuniary conflicts of interest.

RECOMMENDATION

It is recommended that Committee Members now disclose any conflicts of interest in matters under consideration by the Orange Health Liaison Committee at this meeting.

4 GENERAL REPORTS**4.1 ORANGE HEALTH LIAISON COMMITTEE ACTION PLAN**

TRIM REFERENCE: 2021/1911

Whilst addressing the content of the Action Plan the following discussions took place:

- The Mayor explained to the Committee that he had requested a meeting with the NSW Health Minister regarding special staffing in the Western Health District. In particular the delay, after the retirement of Professor Graham Stevens, in recruiting a replacement for the Orange Health Service specialist radiation oncologist.

Ms Catherine Nowlan explained that there had been a successful applicant who withdrew and that Dubbo hospital had experienced the same issue. Both hospitals have been using locums and this has been difficult throughout the COVID-19 lockdown periods. The Orange position has been readvertised and Genesis will provide a specialist radiation oncologist in Orange and a consortium of VMOs the same in Dubbo. There have been delays for patients requiring service.

Ms Nowlan stated the hospital has a preference for a VMO model with specialists residing in the local area. For example, there are currently three oncology specialists in Orange instead of the fly in, fly out option. To continue to build the presence of medical specialists in the area there is a need for local training and then funded positions. Accurate Treasury population growth figures are required for increased funding for required positions.

There was further discussion regarding the pursuit of the Health Precinct and the heritage area of the campus. Concerns were expressed regarding the deterioration of a number of the heritage buildings. The Mayor informed the Committee that he will discuss this issue with the Deputy Premier.

MINUTES OF ORANGE HEALTH LIAISON COMMITTEE**12 OCTOBER 2021**

The Mayor will inform the Committee if the NSW Health Minister meeting is confirmed.

- The Committee thanks the Orange Aboriginal Medical Service for providing COVID vaccination clinics
- Ms Nowlan informed the Committee that Orange Hospital received the World Stroke Organisation Angels Gold Status Award for meeting the highest standards in stroke treatment and care.

The Committee congratulated the team for their commitment and dedication to improving stroke care.

RECOMMENDATION**Ms J Bennett/Dr R Jane**

1. That the above discussions on the Western Health District be acknowledged.
2. That the Orange Health Liaison Committee Action Plan be reviewed and updated, and those updates be noted.
