1.4 DECLARATION OF PECUNIARY INTERESTS, SIGNIFICANT NON-PECUNIARY INTERESTS AND LESS THAN SIGNIFICANT NON-PECUNIARY INTERESTS

The provisions of Chapter 14 of the Local Government Act, 1993 (the Act) regulate the way in which Councillors and designated staff of Council conduct themselves to ensure that there is no conflict between their private interests and their public role.

The Act prescribes that where a member of Council (or a Committee of Council) has a direct or indirect financial (pecuniary) interest in a matter to be considered at a meeting of the Council (or Committee), that interest must be disclosed as soon as practicable after the start of the meeting and the reasons given for declaring such interest.

As members are aware, the provisions of the Local Government Act restrict any member who has declared a pecuniary interest in any matter from participating in the discussion or voting on that matter, and requires that member to vacate the Chamber.

Council's Code of Conduct provides that if members have a non-pecuniary conflict of interest, the nature of the conflict must be disclosed. The Code of Conduct also provides for a number of ways in which a member may manage non pecuniary conflicts of interest.

RECOMMENDATION

It is recommended that Councillors now disclose any conflicts of interest in matters under consideration by the Council at this meeting.

Cr Kinghorne asked what the tangible benefits are for Orange and how we measure the value of conference like this.

The Chief Executive Officer stated that the assessment is up to Councillor's and Council staff. Councillors come back with ideas and as we are heading to master plan for the airport this would be good knowledge.

The Director Technical Services stated it keeps us at the forefront of the knowledge out there. Orange is on the cusp of going to an airport where we have security control and screening and there is an informal value by forming networks amongst other operators.

Cr Whitton added that in having Councillors attend the conference, it shows CASA we understand the obligations in law of running an airport and this aides in lobbying when it comes to funding.

Cr Mileto asked by not seeking to meet commercial needs for hosting conferences, wouldn't including this give a clearer picture of what the costings will be.

The Director Community, Recreation & Cultural Services stated that the building is 60 years old and is a function centre not a conference centre and that in its current form it is not fit for purpose as a conference centre.

Cr McDonell asked if Council had historically thought the function centre met the needs of conferences.

The Director Community, Recreation & Cultural Services stated conference organisers have not been seeking out the function centre because it is not fit for that purpose in its current form.

Cr Greenhalgh asked if the function centre had AV equipment would that assist.

4.2 NOTICE OF MOTION - SNAKE AWARENESS AND PREPAREDNESS

RECORD NUMBER: 2022/1893

I, **CR GLENN FLOYD** wish to move the following Notice of Motion at the Council Meeting of 4 October 2022:

MOTION

That Council resolves, by use of Council website to:

- 1 Display information on common snakes found in Orange and surrounding areas. List the following - contact details of snake catchers and affiliated bodies in the Orange area, First Aid treatment for snake bite and Emergency contact details in case of snake bite, rules and regulations around snake handling and welfare.**
- 2 Distribute similar snake information to the public in any other cost-effective manner possible.**

BACKGROUND

After being contacted by concerned residents over the past weeks about snake sightings and the use of social media showing deceased snakes next to shovels, I believe council has it in their best interest to distribute information about snakes. We are in for a bumper few seasons of snake breeding due to the recent heavy rains and flooding, along with mice plagues. These factors are creating perfect conditions for snakes and they are coming further into city areas to avoid the flooding.

Signed Cr Glenn Floyd

STAFF COMMENT

Council can update the website to include a link to the [NSW Poisons Information Centre](#)

The NSW Department of Planning and Environment has a snake information page that includes Jake Hansen as a snake handler for this region.

The page can be found at [Snakes | NSW Environment and Heritage](#)

With matters such as this it is preferred to use other government resources as those pages are more likely to be updated more regularly and it is beyond the knowledge base of Council.

The new Council page could be promoted through social media channels.
