1 INTRODUCTION

1.1 DECLARATION OF PECUNIARY INTERESTS, SIGNIFICANT NON-PECUNIARY INTERESTS AND LESS THAN SIGNIFICANT NON-PECUNIARY INTERESTS

The provisions of Chapter 14 of the Local Government Act, 1993 (the Act) regulate the way in which Councillors and designated staff of Council conduct themselves to ensure that there is no conflict between their private interests and their public role.

The Act prescribes that where a member of Council (or a Committee of Council) has a direct or indirect financial (pecuniary) interest in a matter to be considered at a meeting of the Council (or Committee), that interest must be disclosed as soon as practicable after the start of the meeting and the reasons given for declaring such interest.

As members are aware, the provisions of the Local Government Act restrict any member who has declared a pecuniary interest in any matter from participating in the discussion or voting on that matter, and requires that member to vacate the Chamber.

Council's Code of Conduct provides that if members have a non-pecuniary conflict of interest, the nature of the conflict must be disclosed. The Code of Conduct also provides for a number of ways in which a member may manage non pecuniary conflicts of interest.

RECOMMENDATION

It is recommended that Committee Members now disclose any conflicts of interest in matters under consideration by the Sport and Recreation Policy Committee at this meeting.

3 PRESENTATIONS

3.1 PRESENTATION FROM WESTERN REGION ACADEMY OF SPORT

TRIM REFERENCE: 2022/1720

Western Region Academy of Sport (WRAS) Executive Officer, Candice Boggs provided the Committee with an overview of the support and opportunities the Academy provides athletes and coaches in Orange and the broader Western Region.

Ms Boggs also advised that WRAS were considering making a submission to host the 2025-2027 Academy Games which brings together over 1,500 athletes from 9 NSW regional academies for 3 days of competition across 7+ sports.

Given the facility requirements to host this event, WRAS are proposing to submit a joint bid between Orange and Bathurst.

The Committee agreed that the Academy Games would provide many positive benefits to the Orange and Bathurst region and should be supported by Council where possible.

RECOMMENDATION

1. That Council support the Western Region Academy of Sport in their submission to host the 2025-2027 Academy Games.
2. That Council consider any funding/sponsorship requests from the Western Region Academy of Sport to assist in securing the 2025-2027 Academy Games.

SUPPORTING INFORMATION

The Sports Facility Partnership Program has been implemented by Council to assist local not-for-profit sporting organisations upgrade and enhance community sporting facilities.

SPORT AND RECREATION COMMUNITY COMMITTEE

7 SEPTEMBER 2022

4.1 2022/2023 Sports Facility Partnership Program - Application Assessment

Through an assessment process, projects are ranked as having a high, medium or low level priority, based on their ability to meet the following Program objectives:

- Improve sporting and recreational facilities for local sporting organisations and the local community
- Create partnerships between Council and sporting groups in the development of sport and recreation facilities in the City
- Improve opportunities for local sporting organisations to host major sporting events
- Improve resources available to local sporting organisations
- Enhance the long-term sustainability of the sport

Individual grants of up to \$15,000 are available on a dollar-for-dollar basis, with Council allocating \$50,000 in the 2022/2023 Delivery / Operations Plan for this Program.

As a guide, the types of projects that can and cannot be considered under the Sports Facility Partnership Program are as follows:

Projects Considered

- The enhancement of existing sporting facilities such as safety netting, lighting, watering systems and upgrade of surfaces
- The provision of ancillary and support facilities at established sporting facilities, e.g. sun protection shelters, change-room upgrades
- The purchase of equipment that will improve the quality or function of a facility, e.g. timing equipment, scoreboards
- Projects that meet the objectives of the program

Projects Not Considered

- Sporting goods, e.g. bats, balls, uniforms
- Projects that are completed
- Construction or sealing of carparks or roads
- Projects that involve the development of private or commercial ventures
- General maintenance of sporting facilities, e.g. painting
- Applications requesting a grant of more than \$15,000

It should be noted that applications for projects on Council owned or managed land are generally given a higher priority for funding.

At the closing date of 5 August 2022, Council had received 6 applications, requesting a total of \$60,688 in funding; however, as the 2022/2023 Program funding is capped at \$50,000, not all projects can be fully funded.

Using the application assessment attached, projects ranked as having a high priority have been recommended to receive the full funding requested whilst those ranked as having a medium priority would receive partial funding only.

1	Provision of indoor playground	Jodie Kelly						Council has provided a temporary indoor playground at the Orange Indoor Tennis Centre to cover the winter period.
2	Fencing Anzac Park Netball Courts to reduce the amount of duck droppings on the court surface	Jodie Kelly						The installation of fencing around the courts is not likely to have a significant effect on reducing the duck issue. Council to work with the Orange netball Association to find a mechanical solution to remove duck droppings prior to games.
3	Pedestrian/Cycle connection between Machin Park north and south (Franklin Road and Gardiner Rd)	Brendan Stuart						Briefing regarding history and options to be provided to Councillors for consideration
4	Installation of Bike Maintenance Stations https://www.civiq.com.au/product/cycla-fixit-bike-repair-station/	Tony Kay						Quotations received – approx. \$1,500. Consideration to be given to purchasing and installing at the Moulder Park Velodrome as a trial with additional maintenance stations to be included if successful.
5	Installation of fixed net tennis court on the old Moulder Park netball courts	Tony Kay						Concern that it would be detrimental to the 2 existing tennis facilities in Orange if a free alternative was provided by Council.
