1 INTRODUCTION

1.1 DECLARATION OF PECUNIARY INTERESTS, SIGNIFICANT NON-PECUNIARY INTERESTS AND LESS THAN SIGNIFICANT NON-PECUNIARY INTERESTS

The provisions of Chapter 14 of the Local Government Act, 1993 (the Act) regulate the way in which Councillors and designated staff of Council conduct themselves to ensure that there is no conflict between their private interests and their public role.

The Act prescribes that where a member of Council (or a Committee of Council) has a direct or indirect financial (pecuniary) interest in a matter to be considered at a meeting of the Council (or Committee), that interest must be disclosed as soon as practicable after the start of the meeting and the reasons given for declaring such interest.

As members are aware, the provisions of the Local Government Act restrict any member who has declared a pecuniary interest in any matter from participating in the discussion or voting on that matter, and requires that member to vacate the Chamber.

Council's Code of Conduct provides that if members have a non-pecuniary conflict of interest, the nature of the conflict must be disclosed. The Code of Conduct also provides for a number of ways in which a member may manage non pecuniary conflicts of interest.

RECOMMENDATION

It is recommended that Committee Members now disclose any conflicts of interest in matters under consideration by the Services Policy Committee at this meeting.

29 May	Indigenous Veterans Commemoration Service The ceremony continues to gather momentum since its inception in 2007, in uniting Australians to remember and honour the service and sacrifice of indigenous veterans. The exceptional guest speakers and their remarkable stories continue to inspire our youth, indigenous and non-indigenous alike. Since the Boer War, Aborigines and Torres Strait Islanders have fought for Australia. While exact numbers will never be known, it is estimated that 500-800 Aboriginal diggers served in World War I. Five Aboriginal diggers are known to have died fighting at Gallipoli. Anywhere from 3,000-6,000 served in World War II, and in proportion to population, no community in Australia contributed more to the war effort than the Islanders of the Torres Strait.
