NAIDOC Week Schools Initiative email from Dylan Williams

Discussion held regarding cost/benefit of this particular program; it was not included in NAIDOC Week for the last two years. Agreement from the Committee that a locally-driven program is preferable. C. McLean and C. Vincent explained that they already make contact with local schools on an individual basis. The Committee agreed to continue that practice.

N. Ingram Snr referred to previous correspondence dated 22/01/2021

Mr Ingram Snr raised that adherence to cultural protocols is an important and serious matter. C. Vincent provided an explanation regarding the process the Orange Local Aboriginal Land Council (OLALC) use to inform Elders regarding requests for Welcome to Country, and invited Elders to register their name with OLALC if they would like to be involved in delivering ceremony. Elders may also advise the best method for the OLALC to contact them when a request has been submitted. C. Vincent explained there is often a very short notice period provided by applicants.

N. Ingram Snr raised whether only those Committee members who identify as Aboriginal or Torres Strait Islander should have voting rights. Reference was made to the existing Committee Charter (2017/2274) and that "Community representatives as determined by the Committee" indicated the Committee could vote to determine membership criteria. The Committee agreed to defer any decision to the April meeting so members have time to consider.

M. Newman referred to previous correspondence dated 27/11/2021

Reference was made to a long-standing arrangement with the OLALC for an Acknowledgement of Country to be provided if a Welcome was not available. Further information was requested in order to respond to the matters raised in the previous correspondence. A member raised that cultural issues be referred to the OLALC Culture and Heritage Committee.
