## **1 INTRODUCTION**

### **1.1 DECLARATION OF PECUNIARY INTERESTS, SIGNIFICANT NON-PECUNIARY INTERESTS AND LESS THAN SIGNIFICANT NON-PECUNIARY INTERESTS**

The provisions of Chapter 14 of the Local Government Act, 1993 (the Act) regulate the way in which Councillors and designated staff of Council conduct themselves to ensure that there is no conflict between their private interests and their public role.

The Act prescribes that where a member of Council (or a Committee of Council) has a direct or indirect financial (pecuniary) interest in a matter to be considered at a meeting of the Council (or Committee), that interest must be disclosed as soon as practicable after the start of the meeting and the reasons given for declaring such interest.

As members are aware, the provisions of the Local Government Act restrict any member who has declared a pecuniary interest in any matter from participating in the discussion or voting on that matter, and requires that member to vacate the Chamber.

Council's Code of Conduct provides that if members have a non-pecuniary conflict of interest, the nature of the conflict must be disclosed. The Code of Conduct also provides for a number of ways in which a member may manage non pecuniary conflicts of interest.

### **RECOMMENDATION**

It is recommended that Committee Members now disclose any conflicts of interest in matters under consideration by the Finance Policy Committee at this meeting.

## EVENT SPONSORSHIP

# Flagship Event Fund Application

### EVENT DETAILS

---

How many years has your event operated for and what were the levels of attendance (both local and visitor) at the event(s)?

The City of Orange Veterans Week of Golf is now into its 26th year and has attracted between 250 and 300 golfers in the past however numbers have decreased over the past 3 years due to Covid and travel restrictions. We are hoping that next year entries will increase and we are looking forward to 180 to 220 golfers coming to Orange for the event. Playerts come from all over NSW, Queensland and Victoria. We have also had entries from Western Australia and South Australia in the past. About 75% of entries are visitors who stay in Orange for the week.

---

Please detail how the sponsorship will help the event grow the diversity of sub-events and activities to attract additional visitors to the local economy or increase the length of stay and average spend consistently over time.

The sponsorship allows the promotion, advertising and depth of trophies to attract veteran golfers from all over NSW and interstate. Our aim is to increase participation year on year by promoting the event at as many golf clubs as possible as well as through the NSW Veterans Golf Association website and golf magazines. This year we have also developed our own website at orangevetsgolfclassic.org.au. By attracting more entrants and new ones the benefit to the Orange community is enhanced. The event goes for six days with registration on Sunday afternoon followed by four days of golf with a rest day midweek so visiting entrants stay in different types of accommodation from Motels, Caravan Park Airbnb etc for up to six nights. Restaurants, Wineries, retail businesses, accommodation providers and many small businesses all benefit from this influx of golfers and non golfing partners.

**EVENT DETAILS (CONTINUED)**

How will the event involve and engage local businesses, sporting groups, artists, community groups and or interested individuals? How will it assist in building the reputation of Orange by associating with positive and inclusive activities in the Orange community?

The event is played on both golf courses in Orange and next year for the first time, Monday's play will be held at Bathurst Golf Club which we are very excited about. This will give more variety to the event and hopefully attract more entries. The feedback so far has been very positive. A Presentation Dinner/Dance is held in the Coral Sea Room at the Orange Ex Services Club on the Thursday night and is very well attended and enjoyed by all. The Week of Golf Tournament introduces new entrants to the beauty of Orange's and now Bathurst's golf courses and the variety available within the city with word of mouth spreading to golfers who did not attend. The Wednesday rest day gives people the opportunity to explore the local shopping, wineries and other attractions within and around the City thus promoting Orange as a destination and attractive place to visit and stay. Many trophies are presented through the different grades for each day's play and the overall winners plus novelty events each day. These are in the form of vouchers purchased or donated by many local businesses. This introduces contestants to some of the local businesses and involves the businesses at the same time.

What strategies will be used to promote the event to both local and out of region audiences and how will the success of these strategies will be measured. If a marketing plan has been developed, please attach it to the application.

Flyers advertising the Tournament and giving links to our new website, email address and the NSW Veterans Golf Association web site are sent to many golf clubs in the state. Also emails are sent to all previous participants informing them of the tournament and giving them a link to the entry form. All sponsors are also noted on the website. Advertising is also conducted through golf magazines. The success of this promoting and advertising is measured by applications received and the number of new entrants. Our newly developed web site gives entrants easy access to the entry form, hit off times, results, promotion of our sponsors, information regarding the three golf courses and photos from the tournament and presentation dinner. This enables greater opportunity for promotion of the tournament and easier access to enter.

How does the event fit into the annual event calendar and is the organising committee mindful of peak tourism periods for the Orange360 region?

The City of Orange Veterans Week of Golf now called the Central West Week of Golf fits into the NSW Veterans Week of Golf calendar and has been played at this time (first week of March) for the past 25 years.

Are you applying for an annual single year grant or 3 years of confirmed funding?
