Cr Peterson noted Council received a verbal confirmation about funding and asked if there is any concern about this being honoured with the Government in caretaker mode.

Director Technical Services said while we don't have a funding deed in place, it is part of the existing budget allocation and we have undertakings from Transport for NSW, there is no concern.

Cr McDonnell asked why signage posts are angled a certain way rather than purely upright.

Director Technical Services advised it is consistent across town with all Heritage plaques and they are maintained on a regular basis.

MATTER ARISING

Cr K Duffy

Cr Duffy asked for a follow up if there is adequate signage for the roundabouts on the Northern Distributor Road to prevent trucks from rolling over.

Director Technical Services advised that while warning signs will not prevent rollover, the Director will follow this up with Transport for NSW, the new owner of the Northern Distributor Road.

THE MEETING CLOSED AT 8.10PM
