1 INTRODUCTION

1.1 APOLOGIES AND LEAVE OF ABSENCE

1.2 LIVESTREAMING AND RECORDING

This Council Meeting is being livestreamed and recorded. By speaking at the Council Meeting you agree to being livestreamed and recorded. Please ensure that if and when you speak at this Council Meeting that you ensure you are respectful to others and use appropriate language at all times. Orange City Council accepts no liability for any defamatory or offensive remarks or gestures made during the course of this Council Meeting. A recording will be made for administrative purposes and will be available to Councillors.

1.3 ACKNOWLEDGEMENT OF COUNTRY

I would like to acknowledge the Traditional Custodians of the land on which we meet today, the people of the Wiradjuri Nation. I pay my respects to Elders past and present, and extend those respects to Aboriginal Peoples of Orange and surrounds, and Aboriginal people here with us today.

1.4 DECLARATION OF PECUNIARY INTERESTS, SIGNIFICANT NON-PECUNIARY INTERESTS AND LESS THAN SIGNIFICANT NON-PECUNIARY INTERESTS

The provisions of Chapter 14 of the Local Government Act, 1993 (the Act) regulate the way in which Councillors and designated staff of Council conduct themselves to ensure that there is no conflict between their private interests and their public role.

The Act prescribes that where a member of Council (or a Committee of Council) has a direct or indirect financial (pecuniary) interest in a matter to be considered at a meeting of the Council (or Committee), that interest must be disclosed as soon as practicable after the start of the meeting and the reasons given for declaring such interest.

As members are aware, the provisions of the Local Government Act restrict any member who has declared a pecuniary interest in any matter from participating in the discussion or voting on that matter, and requires that member to vacate the Chamber.

Council's Code of Conduct provides that if members have a non-pecuniary conflict of interest, the nature of the conflict must be disclosed. The Code of Conduct also provides for a number of ways in which a member may manage non pecuniary conflicts of interest.

RECOMMENDATION

It is recommended that Councillors now disclose any conflicts of interest in matters under consideration by the Council at this meeting.

Adoption of Minutes of Previous Meeting:

RESOLVED that the minutes of the Annual General Meeting held on 24 November 2023 be accepted as a true and accurate record (Moved by Warren Shire Council / Seconded by Forbes Shire Council).

Matters Arising from the Minutes - Nil

PRESENTATIONS

The Hon Yasmin Catley MP, Minister for Police and Counter Terrorism

Began by describing her personal travels in and contact with the regions and the great work of NSW Police. Said that she will not and never will support an inquiry into policing in NSW, stating that the Police do a great job. The Community Safety inquiry will focus on the entrenched, complex drivers behind crime.

\$26.2mil regional crime package, including Moree but the Government realise that the issues are broad, so Moree is a trial that may be expanded in six months.

Regional Operation Mongoose has been getting real results, YAMS and safe transport of youth at night programs will be expanded.

As leaders in communities, the Minister said Local Government can help in the planning of crime prevention activities, acknowledging the varying capacities of councils. Surveillance (CCTV) and youth events can help.

'We can't arrest our way out of the current situation' was the point she emphasised.

The Minister did not mention the Regional Youth Crime Inquiry.

NSW Productivity Commissioner - Peter Achterstraat AM

Thanked Councils for feedback. Issues paper on funding models for water authority models. Submissions by 28 March 2024.

Some council systems have less than 2000 connections, whereas Sydney Water has two million.

Let's aim for cost recovery but environmental and regulatory factors must be factored in. Collaboration is vital where economies of scale are needed and it is pleasing to see collaboration in Local Government. We will look at why State Government funding is needed. We're hearing there is a lot of work to get grants and it's unpredictable, making planning difficult.

Video message from NSW Premier the Hon Chris Minns.

Reports

Linda Scott, President of the Australian Local Government Association (ALGA)

The Federal Government has announced an inquiry into Local Government Financial Sustainability. Compared to local government internationally, Australian Local Government is underfunded. Submissions due by 3 May 2024.

She also covered the \$100 mil. Energy Fund and National Housing Accord.

Local Government NSW (LGNSW) – President Darriea Turley AM

Congratulated Chair Jamie and the CMA for the Crime Inquiry announcement and Linda Scott for the Sustainability Inquiry, stating that the 1% funding from the Federal Government fight has been long running.

“We need to make sure the Regional Development Trust works for our members.”

Premier The Hon. Chris Minns Message**CMA Chair Jamie Chaffey introduced new Secretariat Gary Fry.**

The Chair went through the CMA Crime, Law and Order report updates, promoting that the updated report is on the CMA website. Youth reoffending rates were highlighted as a major concern, where the regions are far worse than Sydney. This suggests access to more successful programs in Sydney than in the regions.

Chair Chaffey went through the member survey. No comments or questions from membership.

Membership

Shoalhaven moved and Liverpool Plains seconded the motion that Brewarrina Shire Council be accepted as a CMA member and that Wollongong City Council be accepted as an Associate Member. Mayor Vivian Slack-Smith from Brewarrina Shire Council was presented a CMA pin by Narromine Mayor Craig Davies, representing the CMA Executive Committee.

The CMA is now 89 members strong.

Dugald Saunders Leader of the NSW Nationals addressed the meeting.

New bail laws legislation amendment bill debate went all night until 6:45am, prior to the CMA meeting.

He thanked the CMA and Chair Chaffey for the regional crime focus and general advocacy. He said that the Terms of Reference submissions for the regional crime inquiry are due until 31 May, so get your input in. He emphasised the uniqueness of communities and that a blanket approach cannot work.

Q. Make the parents accountable.

A. Complicated pathways but we do need to ensure that kids are not bailed to the same home situations repeatedly.

Q. No deterrent until age 18 because they have no blemish on their record. Many great programs that are underfunded.

A. New bail laws are for ages 14 to 18.

Q. Mark Johnston, MPSC Mayor: Moree is not the crime capital of NSW. We have asked the Premier for a review of the agencies in our town, which is going to happen. A place for kids to go between remand and bail is a positive step.

A. Bail Accommodation facility out of town would be good. We need to identify the problem without scaring people away. Like you I hope to see the Moree funding expanded.

The Hon Paul Toole MP, Shadow Minister for Police

Safe Communities are a common priority. He commended the advocacy and work of regional councils, thanked councillors for their service. He applauded the CMA Crime, Law and Order report and CMA Chair Jamie Chaffey – “The CMA has affected change in this State.”

“Crime in regional NSW is one of the biggest issues in the State. Your organisation led the charge, calling for a parliamentary inquiry. It was finally announced this week. There is a silent epidemic of crime in regional areas and the rates surpass Sydney. There are real people behind the statistics, people who have been stabbed in their own homes. It has never been this widespread. We’ve had 52 front page stories across the State in relation to regional crime. It’s time for action. Time for an inquiry to help our communities feel safe. It shouldn’t be about politics. The previous Government’s work to improve youth crime prevention efforts has stagnated.

After six months of fighting, you have an inquiry announced to identify the drivers for youth crime. We want submissions saying you want us to bring the Inquiry to your town. We also want an interim report, rather than wait 18 months for something to be seen from this regional youth inquiry. I thank our police and you, for what you do in your communities.”

Q. Jamie: could we extend the inquiry?

A. A report to see things happening sooner rather than later is important.

Q. Sue Moore, Police number – I’ve seen more retiring police officers than incoming officers. What can we do to retain them.

A. We are losing more than we are gaining and there are many on leave. It is one of the big issues and we are pushing that.

Chair Chaffey had a majority of members’ hands up, indicating that they would want to see the inquiry in their town.

Jacki Fitzgerald, Executive Director NSW Bureau of Crime Statistics and Research

Trends and rates were the presentation focus. They are disproportionate to what we see in the cities.

“We are always keen for more data from members. Property crime rates are 59% worse in our regions than Sydney. Violent crime rates are 57% higher in the regions. Young people are responsible for just over a quarter of (property) crimes. Half of the regional property offenders are Aboriginal.

The high rates of crime illustrate the inequality between regional NSW and Sydney. Car theft is double, for example. Across the board, there has been a 20% rise in car theft in the last five years. Youth offenders have accounted for 82% of the increase. In 2023, 22 percent were combined with a home break-in.

Domestic violence 65% higher than Sydney. It has increased by 20% in five years. Non-domestic violence has been stable in Sydney but increased by 11% in the regions.

Sexual assaults have increased but property crime has reduced at a State level. The rates are much worse in the regions.”

Q. Tim Horan – do you consider unreported crimes?

A. Not what the ABS victims survey suggests.

Q. Jim Hickey, Broken Hill. Is there evidence to suggest theft is in relation to food?

A. There is some cost of living impacts but the youth recreational type crime is different.

Q. Substance abuse relation to violent crimes.

A. Drug and Alcohol are certain factors behind violent crime increases in the region. Lockout laws were a blunt but effective instrument in Sydney.

Q. Domestic violence and assault figures separate?

A. Yes.

Q. Crimes through a carriage advice like a phone increased?

A. Intimidation and stalking crimes have increased. However, those figures tie in with an increase in police activity in that area.

Deputy Commissioner Paul Pisanos, NSW Police Service Paul Pisanos APM

The Deputy Commissioner provided insights into regional policing and crime. He said he would not talk to crime statistics. There is an uptick in regional violent crime and it is concerning. He discussed what we can do together about it.

"We always welcome more police resources. I am proudly representing regional NSW and I am keen to look at recruitment from the regions, to the regions and retention of police in their home towns. HR want to redress people doing three years in a country town then transferring to the city. Accommodation and housing is one challenge.

People who work in special remote positions are multi-roles and do an amazing job.

Law and order has a direct impact on regional economies.

Youth crime; the bail laws legislation from the State Government is important to reduce repeat offenders. It did not go as far as he would like but it was a step forward.

Drugs are destroying our communities.

There has been nothing but support and positive commentary for the police from your organisation and that has put us in a much better position to work together on the non-core policing work, towards prevention of crime and reoffending. "

He said a holistic approach will free up Police time.

Q. Bronwyn – Any progress getting front line police off Corrections responsibilities.

A. The conversations are being had and we should be in the community.

Q. Getting positions filled, cost of housing is a problem, so are there initiatives in place?

A. Nothing is off the table for recruitment and retention. Key worker housing is a key issue.

Q. \$31,000 for student police, how do the dollars progress?

A. Starting salary is close to \$90,000, with incentives, it is genuinely attractive.

Q. Central Darling... childcare is lacking. Government owned housing is controlled by separate Government Departments and they do not coordinate.

A. A need for better coordination between departments was identified in Moree.

Mr. Kevin Morton, Representative of the Police Association of NSW

The Police Association sees the regional crime inquiry as a step in the right direction. He commended the campaigning of the CMA and its Chair.

"Reduced capacity means regional police have a greater workload than ever but the PA is proud of the work of NSW Police. Regional police adore their communities and they are central parts of their communities, holding the line because they are there on the front line when other departments or agencies are not.

PA members do their best to make a difference.”

Q. 573 police left the force in 2023, is that trend going to continue?

A. Policing is a difficult job and it's not for everyone. There is no way to leave the force with dignity other than medical issues. The PA has been pushing for recruiting incentives, such as with housing. More investment in advertising of incentives is need. 21 psychologists in police commands is a big step forward from the Commissioner.

Q. What kind of numbers are coming in and out of the Police Academy?

A. Even the Policy Academy is short-staffed.

Q. What should we Councils do?

A. Keep doing what you're doing. Keep supporting your local police. Ensure we are doing Police work, not the work of other departments (like prisoner transport).

Q The Goulburn Mayor promoted the Police Academy and the Behind the Blue Line program.

A. Agreed.

Q. Is recruitment begun before kids finish school?

A. Kids are influenced more – Black Lives Matter hurt recruitment, for example. However, life experience is important for policing, so recruiting too young is not ideal for retention.

Motion from the floor

Moved by Mayor Leeton Shire Council Cr. Tony Reneker

That the CMA advocates for the NSW Government to

- 1) honour the agreed / endorsed 5-year WAPs and associated funding commitments for the 23/24 financial year by immediately releasing the funds councils are expecting, and
- 2) genuinely consult local councils fully and early as key partners before introducing new changes to the scheme in future years.

Unanimously passed.

Mayor of Inverell Shire, Cr. Paul Harmon, moved that the CMA supports Nationals Member for Northern Tablelands Adam Marshall's call for an independent investigation into Hunter New England Health.

Cr. Robert Banham, Mayor of Glen Innes Severn Council seconded the motion.

Unanimously passed.

Mayor of Narromine Shire, Cr. Craig Davies, Craig Davies (and CMA Executive member) on behalf of the Western Alliance of Councils, moved that CMA members collate figures for total (competitive) funding received over time to illustrate the decline in funding to councils across the board.

Seconded by Warren Shire.

Unanimously passed.

Mayor of Wentworth Shire Cr. Daniel Linklater moved That the CMA invite the Valuer General to a meeting, due to excessively high valuations. Plus, a representative of Crown Lands.

Chair said he will invite them to the Forbes meeting. No vote required

NOTED

Jacqui Emery, Chief Executive Officer at Royal Far West

Royal Far West is excited to be turning 100. They have been growing to try to meet unrelenting demand; they supported 21,000 young people in 2023.

Jackie highlighted the importance of early intervention and helping young people to head in the right direction to reduce youth crime.

Bring country kids to Manly, supporting the access to specialists is often life changing. Mental Health in regions, including among children is a growing concern. We provide assessment, parenting capacity support and connection to health specialists. Most paediatricians in NSW have closed their books to developmentally delayed children, others have wait times of up to five years. There are links between insufficient supports and disruption behaviour in schools and youth crime.

72% of parents who support their children at Royal Far West have their own mental health issues. With NSW Health, Royal Far West is piloting two regional NSW paediatric clinics (at Dubbo and Wagga Wagga). Royal Far West is the only philanthropic assessment service but funding has not increased and they are seeking an additional \$5-6mil. per year.

Called on Country Mayors to support their pre-budget submission.

Bega moved

Wentworth seconded.

Unanimously passed.

CMA Executive member and Mayor of Forbes Shire, Cr. Phyllis Miller OAM promoted the upcoming CMA Housing Conference in Forbes.

There being no further business, the meeting was formally closed at 1:18 pm.

Cr Mallard asked what is being considered beyond stage 1 and noted that an increase in enforcement is required.

The Chief Executive Officer stated that discussions with Fisheries NSW had been held on a preliminary basis only and the intention was to monitor the first initiative with the possibility of expanding the activities, not the zone. Fisheries and Rangers will take on compliance enforcement activities.

6 CLOSED MEETING

In accordance with the Local Government Act 1993, and the Local Government (General) Regulation 2021, in the opinion of the Chief Executive Officer, the following business is of a kind as referred to in Section 10A(2) of the Act, and should be dealt with in a Confidential Session of the Council meeting closed to the press and public.

In response to a question from the Mayor, the Chief Executive Officer advised that no written submissions had been received relating to any item listed for consideration by the Closed Meeting of Council.

The Mayor extended an invitation to any member of the public present at the meeting to make a presentation to the Council as to whether the meeting should be closed for a particular item.

RESOLVED - 24/175

Cr T Greenhalgh/Cr G Floyd

That Council adjourn into a Closed Meeting and members of the press and public be excluded from the Closed Meeting, and access to the correspondence and reports relating to the items considered during the course of the Closed Meeting be withheld unless declassified by separate resolution. This action is taken in accordance with Section 10A(2) of the Local Government Act, 1993 as the items listed come within the following provisions:

6.1 Tender - F3803 - Design and Construction of the Orange Aquatic Centre 50m Pool Heating

This item is classified CONFIDENTIAL under the provisions of Section 10A(2) of the Local Government Act 1993, which permits the meeting to be closed to the public for business relating to (c) information that would, if disclosed, confer a commercial advantage on a person with whom the Council is conducting (or proposes to conduct) business.

2 GENERAL REPORTS

2.1 CURRENT WORKS

TRIM REFERENCE: 2024/618

RESOLVED - 24/146

Cr J Whitton/Cr G Power

That the information provided in the report on Current Works be acknowledged.

For: Cr J Hamling, Cr K Duffy, Cr G Floyd, Cr T Greenhalgh, Cr F Kinghorne, Cr D Mallard, Cr M McDonell, Cr T Mileto, Cr S Peterson, Cr G Power, Cr J Whitton

Against: Nil

Absent: Cr J Evans

QUESTION TAKEN ON NOTICE

Cr M McDonell

Cr McDonell asked why the footpaths being installed along Molong Road were not one large path on one side instead of two smaller width paths on each side of the road.

QUESTION TAKEN ON NOTICE

Cr T Greenhalgh

Cr Greenhalgh noted that there has been an increase in meter box lid replacements in the past month up from an average of 20 to 50 and asked if there was a reason for the increase.

Cr Kinghorne asked how many stages there were at the Euchareena Road facility.
The Director Technical Services advised that there are six stages of five years each, totalling 30 years.

Cr Duffy asked for a time frame on completion of the Hill & Moulder Sts roundabout noting Bathurst Council finished roundabouts in under a month and asked why some trees were removed at this site.
The Director Technical Services advised that construction will take longer than a month and works are undertaken different to Bathurst Council with more work involved in changing the grades to meet requirements of current standards as well as water main works. Approaches to the roundabout required the removal of a number of trees.

Cr Mileto noted an increase of heavy vehicles on Moulder street not being able to turn left or right at the roundabout works and asked for a review of signage.
The Director Technical Services noted the best route for heavy vehicles was to avoid town and use the NDR. Signage will be reviewed on the approaches to the works.

QUESTION TAKEN ON NOTICE

Cr T Mileto

Cr Mileto requested that a dip on Shiralee Road be inspected and information to be provided on the timeline for Lysterfield to Pinnacle Road works completion.

Cr Mileto asked why the main field has only a 5m run off and why we did not extend those to 10m to allow the possibility of further activity and safety, and if that was occur what would be any additional costs.

The Director Community, Recreation and Cultural Services advised that the field was designed to NRL specifications and it is to accommodate not only the main field but also providing enough room for the embankment and subsequent fields having sufficient run offs and space around the athletics track noting it was not a matter but how fields fitted across the site.

Cr Mileto asked when the decision was made to change the order in which the playing fields, athletics track and stadium would be constructed.

The Director Community, Recreation and Cultural Services advised the NSW Government directed the Council that that would be the priority with a press release following a review of the project.

Cr Mileto asked if Council would be required to find any additional funding for this project over that provided by the NSW Government.

The Director Community, Recreation and Cultural Services advised that we are to deliver the project within the \$59.5m budget as that all is the Government funding that will be received by Council. If we spend more than they have provided they will not be giving us any additional funding.

Cr Mallard asked if the landscaping plan was to be completed during the project or at the end.

The Director Community, Recreation and Cultural Services advised that the landscaping plan is integral to the project would be progressive as the project develops with the first to commence after the eight fields go in.

Cr Greenhalgh asked for a timeframe for completion of the rest of the project.

The Director Community, Recreation and Cultural Services advised that it is scheduled for completion by the end of 2025.

MATTER ARISING

Cr Mileto noted the media release on our partnership with Basketball NSW for the U16 & U18 State Cup and asked what contribution Council makes for this event.

The Director Community, Recreation and Cultural Services advised a fee is payable to Sports Marketing Australia as well as Basketball NSW for the event.

Cr Kinghorne asked why there was a big difference in the revised budget and actuals graph on page 6.

The Chief Executive Officer stated it was mostly due to the timing that has an effect on the graph.

Cr Mallard noted there was currently 14.8% outstanding rates and asked if this was a result of the cost of living.

The Chief Executive Officer stated that it was partly cost of living, that Council is the last bill most people pay, we haven't proactively been chasing as much as previous and it would be quite easy to get back to our usual outstanding level.

RECOMMENDATION

That Council resolves:

- 1 To note the Statement of Investments for the period April 2024
- 2 To adopt the certification of the Responsible Accounting Officer.

FURTHER CONSIDERATIONS

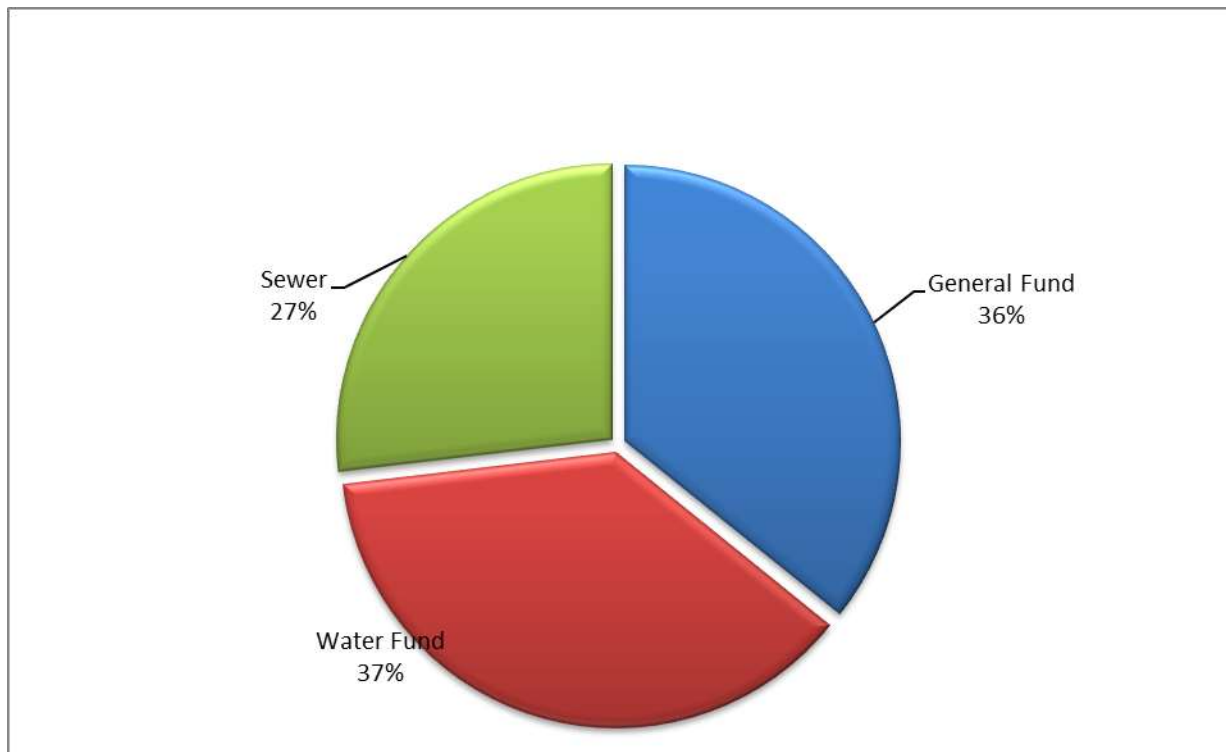

Consideration has been given to the recommendation's impact on Council's service delivery; image and reputation; political; environmental; health and safety; employees; stakeholders and project management; and no further implications or risks have been identified.

SUPPORTING INFORMATION

Section 212(1) of the Local Government (General) Regulation 2021 requires that a written report be presented each month at an Ordinary Meeting of the Council detailing all money that Council has invested under Section 625 of the Local Government Act 1993.

For the period April 2024, the investments held by Council in each fund is shown below:

	30/04/2024	31/03/2024
General Fund	87,036,554.72	92,866,652.55
Water Fund	90,860,092.34	88,423,374.66
Sewer Fund	65,343,120.91	65,174,513.76
Total Funds	243,239,767.97	246,464,540.97

**Portfolio Advice**

Council utilises the services of an independent investment advisor in maintaining its portfolio of investments. Council's current investment advisor is Arlo Advisory Pty Ltd, an independent asset consultant that works with wholesale investors to develop, implement and manage their investment portfolio. Arlo Advisory Pty Ltd is a leading provider of independent investment consulting services to a broad range of institutional investors including government agencies, superannuation funds and not-for-profit organisations.

Arlo Advisory Pty Ltd major services provided to Council include:

- Quarterly portfolio summary reports
- Advice on investment opportunities, in particular Floating Rate Note products.
- Advice on policy construction
- Year-end market values for Floating Rate Note products held by Council.

Portfolio Performance

Council's current Long Term Financial Plan establishes the target for Council's interest on investments at '75 basis points above the current cash rate'. The cash rate for April 2024 remained at 4.35 percent. The weighted average interest rate of Council's investment portfolio at the same reporting date was 4.58 percent which is below Council's target cash rate of 5.10 percent or 510 basis points (being the 4.58 plus 0.75 percent).

With 15 consecutive interest rate rises in the last year, it is taking some time for Council's investments to be able to reach the established target. It is anticipated maturing investments in the next few months that have low interest rates will be rolled at an improved rate of return. Retiring investments are being monitored closely and reinvested to optimise returns in line with Council's investment policy.

5.2 Statement of Investments - April 2024

Council has also utilised the AusBond Bank Bill Index to provide a further benchmark focused on long term investments. For the period April 2024, the AusBond rate was 4.37 percent. The weighted average interest rate of Council's investment portfolio at the same reporting date was 4.58 percent. The AusBond rate is supplied to Council by our investment consultants Arlo Advisory Pty Ltd.

Council's Investment Policy establishes limits in relation to the maturity terms of Council's investments as well as the credit ratings of the institutions with whom Council can invest.

The following tables provide a dissection of Council's investment portfolio as required by the Policy. The Policy identifies the maximum amount that can be held in a variety of investment products or with institutions based on their respective credit ratings.

Table 1 shows the percentage held by Council (holdings) and the additional amount that Council could hold (capacity) for each term to maturity allocation in accordance with limits established by Council's Policy.

Table 1: Maturity – Term Limits

Term to Maturity Allocation	Maximum	Holdings	Capacity
0 - 3 Months	100.00%	25.44%	74.56%
3 - 12 Months	100.00%	49.19%	50.81%
1 - 2 Years	70.00%	16.25%	53.75%
2 - 5 Years	50.00%	9.12%	40.88%
5+ Years	25.00%	0.00%	25.00%

5.2 Statement of Investments - April 2024

Table 2 shows the total amount held, and the weighted average interest rate (or return on investment), by credit rating. The credit rating is an independent opinion of the capability and willingness of a financial institution to repay its debts, or in other words, the providers' financial strength or creditworthiness. The rating is typically calculated as the likelihood of a failure occurring over a given period, with the higher rating (AAA) being superior due to having a lower chance of default. However, it is generally accepted that this lower risk will be accompanied by a lower return on investment.

The level of money held in the bank accounts has been added to the table to illustrate the ability of Council to cover the operational liabilities that typically occur (for example payroll, materials and contracts, utilities).

Table 2: Credit Rating Limits

Credit Rating	Maximum	Holding	Remaining Capacity	Value	Return on investment
Bank Accounts	100.00%	5.50%	94.50%	13,371,292.97	4.35%
AAA	100.00%	0.41%	99.59%	984,785.00	4.50%
AA	100.00%	47.86%	52.14%	116,423,645.80	4.25%
A	60.00%	30.73%	29.27%	74,758,325.00	4.86%
BBB & NR	40.00%	15.50%	24.50%	37,701,719.20	5.31%
Below BBB	0.00%	0.00%	0.00%	0.00	0.00%

Council still holds a number of lower interest rate investments at this point at time, and the costs to redeem early were significant and would have been detrimental to the interest revenue received. These investments shall be redeemed at their maturity and reinvested into a higher performing product.

Certification by Responsible Accounting Officer

I, Hayley Barbetti, hereby certify that all investments have been made in accordance with Section 625 of the Local Government Act 1993, Clause 212 of the Local Government (General) Regulation 2021 and Council's Investment Policy.

5.3 SOUTHERN FEEDER ROAD RENAMING ENGAGEMENT

RECORD NUMBER: 2024/685

AUTHOR: Ellie Bryce, Engagement Officer

EXECUTIVE SUMMARY

Community Engagement to gauge what local residents would like the Southern Feeder Road to be renamed post construction has concluded. It is now a decision for the Council to decide what name should be submitted to the Geographical Names Board.

LINK TO DELIVERY/OPERATIONAL PLAN

The recommendation in this report relates to the Delivery/Operational Plan strategy “10.1. Construct and maintain a road network that meets the community’s transport and infrastructure needs”.

FINANCIAL IMPLICATIONS

The costs associated with signposting the Southern Feeder Road are included in the project budget.

POLICY AND GOVERNANCE IMPLICATIONS

Nil.

RECOMMENDATION

That Council resolves:

- 1 To rename the Southern Feeder Road to Yuranigh Way upon construction completion, in line with the favoured option within the community.**
- 2 That Yuranigh Way be submitted to the Geographical Names Board.**

FURTHER CONSIDERATIONS

Consideration has been given to the recommendation’s impact on Council’s service delivery; image and reputation; political; environmental; health and safety; employees; stakeholders and project management; and no further implications or risks have been identified.

SUPPORTING INFORMATION

Under the current Orange City Council resolution, once the current construction phase is complete (stage 4), the entire stretch of road from the Mitchell Highway, all the way through to Pinnacle Road will be renamed 'Southern Feeder Road'.

At its 3 October 2023 meeting, Council resolved that Council undertake community engagement on naming options for the Southern Feeder Road.

In late 2023, a consultation session was held with residents that live on or near the current Southern Feeder Road construction stage, concerns were raised around the name of the route.

There was support for Council staff to revisit the matter and ask the community what name they would prefer.

5.3 Southern Feeder Road Renaming Engagement

The following names were proposed in an online survey that was open for 4 weeks.

Brabham Way: This name has been suggested by those that live on the route. It recognises that the road will connect the eastern and western parts of the city to the key sporting precinct named after Sir Jack Brabham. The surrounding roads formed part of the Gnoo Blas Motor Racing Circuit where Sir Jack Brabham raced.

Blowes Road: An existing route name. It was named after former Mayor AW Blowes who was Mayor in 1932,33 and 34

Dairy Creek Road: Recognises the existing route name and the site of a dairy adjacent to the road.

Southern Distributor Road: This is consistent with the Northern Distributor Road naming. It reflects the function of the road.

Southern Feeder Road: This name was decided as the route name by Council in 2019. It reflects the function of the road.

Yuranigh Way: Yuranigh was a Wiradjuri man who accompanied early explorer and surveyor Sir Thomas Mitchell on an expedition into the tropical interior of Australia in 1846. This name recognises that partnership and also that the road connects to the Mitchell Highway.

Two questions were asked:

- 907 responses were received in answer to the first question - 'What should the Southern Feeder Road be renamed to?'
 - 33.7% / 306 responses – Yuranigh Way
 - 26% / 236 responses - Brabham Way
 - 22.4% / 203 responses – Southern Distributor Road
 - 10.5% / 95 responses – Dairy Creek Road
 - 6.3% / 57 responses – Southern Feeder Road (current name)
 - 1.1% / 10 responses – Blowes Road
- 898 responses were received in answer to the second question – 'Where do you live?'
 - 52.3% / 470 respondents live in another part of Orange
 - 34.1% / 306 respondents live near the Southern Feeder Road
 - 8.1% / 73 respondents live outside the Orange LGA
 - 5.5% / 49 respondents live on the Southern Feeder Road

In order to change the name of a road, approval needs to be granted by the NSW governments Geographical Names Board. Pending Council's decision for what the road will be renamed to (if at all), Council staff will then submit the decided name to the Geographical Names Board for approval. It is noted that there is already a 'Yurinigh Place' in Orange (off Heatherbrae Parade) however it is spelt differently and is a 'Place' not a 'Way'. Ultimately this will be a matter for the Geographical Names Board.

5.5 TOURISM SERVICES CONTRACT - ORANGE360 - EXTENSION TO 30 JUNE 2026

RECORD NUMBER: 2024/664

AUTHOR: Glenn Mickle, Manager Tourism

EXECUTIVE SUMMARY

Orange City Council's current Funding Agreement with Orange360 expires on 30 June 2025. Similar agreements with both Cabonne Council and Blayney Council expire in June this year (2024) with extensions currently being re-negotiated.

This report is seeking Council's endorsement to extend the current Funding Agreement to 30 June 2026. It is Orange360's intention to align the timing of these agreements across all three Councils to provide better funding stability. Shifting the contract renewal cycle to the middle of the 4 year Council term will allow incoming Councillors to better understand the tourism landscape and make a more informed decision regarding contract extension and terms. This will align with Council's election cycle and providing better long term, strategic planning opportunities. Should Orange City Council agree, Blayney and Cabonne Councils will be asked to extend their contracts by 2 years to 30 June 2026.

LINK TO DELIVERY/OPERATIONAL PLAN

The recommendation in this report relates to the Delivery/Operational Plan strategy "12.1. Capitalise on the character and lifestyle of Orange to remain a destination of choice".

FINANCIAL IMPLICATIONS

If the recommendation of this report is supported and adopted post exhibition it is proposed that the existing budget for the tourism services funding agreement will be utilised to cover the additional twelve months.

POLICY AND GOVERNANCE IMPLICATIONS

Nil.

RECOMMENDATION

That Council resolves to extend the Tourism Funding Agreement provided by TDO Ltd trading as Orange 360 for twelve months until 30 June 2026.

FURTHER CONSIDERATIONS

The recommendation of this report has been assessed against Council's other key risk categories and the following comments are provided:

Service/Project Delivery	The extended contract agreement will be managed under existing resources, as per past contracts.	
Financial	Funding for the contract extension of twelve months will be in the draft Council budget for 2025/2026.	
Reputation/Political	The tourism services sector is a significant employer in the region. Working with Orange 360 to build upon the post-Covid recovery of this sector will reach a significant number of residents.	
Compliance	Councils' approval is required to extend the existing contract. This report is seeking Council's approval.	

People	Orange360 has 300 business members across the LGAs of Blayney, Cabonne and Orange who represent a broad spectrum of industry sectors including accommodation, hospitality, cellar doors, museums and galleries, as well as retail and supporting business services.

SUPPORTING INFORMATION

As part of the Council's Delivery and Operational plans, a comprehensive Destination Management Plan (DMP) for our region was adopted with the support of all three LGAs in 2022. This plan has set the direction and priorities for the sector as the key driver for building and managing the visitor economy for 2022 to 2025. In line with the DMP Orange360 is responsible marketing our region and building capacity within our operators and providers. With positive recent performance it will be the intention of Orange360 to seek a four (4) year funding agreement from 2026 to 2030.

According to Orange360 Annual Report 2023 the recent focus has been on the post-Covid recovery:

The Orange Region, continues to show a strong "pandemic recovery" – official data shows that overnight visitors last year spent 1.42 million nights in the Orange, Blayney and Cabonne LGA areas – 20% increase on year ending June 2019 and a far stronger recovery than most of the comparison areas. Total visitor numbers, 1.41 million over night and day visitors are reported to have visited the region at year end June 2023 – 4% higher than year end 2022 and basically on par with yearend 2019. The visitor spend across the Orange region is estimated at \$446 million.

The ability for the region to "bounce back" demonstrates the strong foundations of the tourism industry in the region. Collectively, with the power of collaboration across local council areas, and a unified and recognised destination brand, Orange360 continues to focus on its core function; enabling industry and inspiring people to visit the Orange Region to return and become advocated for our destination.

Orange360 membership base reflects the diversity and depth of product in our region - reporting a total of 357 members across all sectors and the across the region.

With a somewhat return to normalcy 2022_2023 year has seen strong growth and performance of the Orange360 season marketing campaigns and the impact of increased engagement and appeal of the region through key marketing channels and assets. This includes the Orange360 website www.orange360.com.au attracting 210,910 total unique users (up 14% on 2022). Orange360 Facebook page followers have increased 14% to 19K, and Instagram #Orange360_alleyearround now has 14.9k followers, a 7% increase.

Clearly the investment made over the past five years has created a solid platform and brand profile from which to continue to work to consolidate the Orange Region as one of Australia's leading destinations.

6 CLOSED MEETING - SEE CLOSED AGENDA

The Chief Executive Officer will advise the Council if any written submissions have been received relating to any item advertised for consideration by a closed meeting of Orange City Council.
