1 INTRODUCTION

1.1 DECLARATION OF PECUNIARY INTERESTS, SIGNIFICANT NON-PECUNIARY INTERESTS AND LESS THAN SIGNIFICANT NON-PECUNIARY INTERESTS

The provisions of Chapter 14 of the Local Government Act, 1993 (the Act) regulate the way in which Councillors and designated staff of Council conduct themselves to ensure that there is no conflict between their private interests and their public role.

The Act prescribes that where a member of Council (or a Committee of Council) has a direct or indirect financial (pecuniary) interest in a matter to be considered at a meeting of the Council (or Committee), that interest must be disclosed as soon as practicable after the start of the meeting and the reasons given for declaring such interest.

As members are aware, the provisions of the Local Government Act restrict any member who has declared a pecuniary interest in any matter from participating in the discussion or voting on that matter, and requires that member to vacate the Chamber.

Council's Code of Conduct provides that if members have a non-pecuniary conflict of interest, the nature of the conflict must be disclosed. The Code of Conduct also provides for a number of ways in which a member may manage non pecuniary conflicts of interest.

RECOMMENDATION

It is recommended that Committee Members now disclose any conflicts of interest in matters under consideration by the Finance Policy Committee at this meeting.

YOUR ORGANISATION

Not-for-Profit Community Group

Please provide a short description of your organisation, and its purpose.

The Orange Classic Motorcycle Club is part of the NSW Classic and Enthusiasts Motorcycle Club. The local Branch has been in operation since 1980 and has supported a number of charitable organizations' over the years with funds raised from its annual bike rally, which attracts over 120 participants each year, who stay at the campsite or in Orange town accommodation for the weekend. In particular, the Club's association with Scouts and the Canobolas Scout Camp has been on going. Using profit from the Rally, it has in the past built the toilet block, the veranda on the Charlie Gunner Building as well as provided cladding and labour to re-clad the dormitories. In addition, we have over the year purchased folding dining tables and utensils such as urns etc.

In addition to supporting local charities, the club purpose is to promote the preservation of historic motorcycles', to promote safe riding and educate its members in the skills and technology required to preserve motorcycles, to provide social opportunities members, with three rides a month planned and participation in other Club rallies. The social benefits gained by its members cannot be underestimated.

YOUR REQUEST

If you have attempted to seek funding for this project from any other source, including other grants, requests for in kind donations or reduction in costs from suppliers, please provide details:

What will this donation be used for?

Use of the donation: Since the hand-back of the Canobolas Scout Camp, we have had to pay Council Fees, so that any "profit" made is minimal and the cost is ever increasing to hold the rally. This donation will assist us continue to offer the rally each year and ensure continued participation, bringing benefits to the community as outlined below. The Rally is one of the most well attended and long lasting on the NSW Rally circuit. Prior to the hand back of the Scout Camp to Council, we provided in-kind support to the maintenance and development of the Scout Camp as outlined above in "Description and Purpose".

BENEFIT TO ORANGE

Please outline how the donation will contribute to the social, economic and/or environmental wellbeing of the Orange Local Government Area.

Each year the Rally brings well over 120 riders to the town who stay over the weekend and often longer, using a range of accommodation, including the Council caravan park. This brings significant financial benefit to the town, as well as promoting the tourism aspects of the local community.
Local schools benefit every year. These are engaged to provide morning tea and lunch, and generally make a profit of approximately \$1500 - \$2000. Each year the route of the ride varies, so a whole range of different schools are involved, public and private.
We promote local businesses through our annual presentation dinner.
In the past, any profit has been donated to charities, for example, Ronald McDonald House. This no longer occurs, since we pay Council fees.
The club participates in local events, providing displays such as Australia Day in Cook Park and Gnoo Blas.
The Club has made visits on requests to a number of our local retirement homes to support and provide interest to its elderly citizens.
The Club provides ongoing social benefits to its members, both male and female, who cover a range of ages, but with a significant number of retired members, through rides and social gatherings and sharing of technical skills and equipment.
