Staff have held the fourth round of consultation with sporting groups and National bodies recently to ascertain their needs. The Athletics track will be built to Level 2 standards and able to hold National events. Weather permitting, the initial groundworks should be completed mid to end of August.

Cr Mileto asked when the drainage work will be completed to allow access across East/West of Jack Brabham park.

The Director Community Recreation and Cultural Services advised that the works are almost complete and looking at access shortly.
