## **1 INTRODUCTION**

### **1.1 DECLARATION OF PECUNIARY INTERESTS, SIGNIFICANT NON-PECUNIARY INTERESTS AND LESS THAN SIGNIFICANT NON-PECUNIARY INTERESTS**

The provisions of Chapter 14 of the Local Government Act, 1993 (the Act) regulate the way in which Councillors and designated staff of Council conduct themselves to ensure that there is no conflict between their private interests and their public role.

The Act prescribes that where a member of Council (or a Committee of Council) has a direct or indirect financial (pecuniary) interest in a matter to be considered at a meeting of the Council (or Committee), that interest must be disclosed as soon as practicable after the start of the meeting and the reasons given for declaring such interest.

As members are aware, the provisions of the Local Government Act restrict any member who has declared a pecuniary interest in any matter from participating in the discussion or voting on that matter, and requires that member to vacate the Chamber.

Council's Code of Conduct provides that if members have a non-pecuniary conflict of interest, the nature of the conflict must be disclosed. The Code of Conduct also provides for a number of ways in which a member may manage non pecuniary conflicts of interest.

### **RECOMMENDATION**

It is recommended that Committee Members now disclose any conflicts of interest in matters under consideration by the Sport and Recreation Policy Committee at this meeting.

## **2 GENERAL REPORTS**

### **2.1 ORANGE SPORTS PARTICIPANT PROGRAM**

---

RECORD NUMBER: 2023/1442

AUTHOR: Scott Maunder, Director Community, Recreation and Cultural Services

#### **EXECUTIVE SUMMARY**

This report seeks Council's approval to increase the budget allocation to the Sports Participant Program.

#### **LINK TO DELIVERY/OPERATIONAL PLAN**

The recommendation in this report relates to the Delivery/Operational Plan strategy "2.3. Ensure the sporting and recreational facilities, programs and activities are accessible and affordable to support healthy lifestyle choices".

#### **FINANCIAL IMPLICATIONS**

If the recommendation is adopted by Council and the funding is fully allocated during the year this will have a negative impact on Council's Budget of \$7,000.

#### **POLICY AND GOVERNANCE IMPLICATIONS**

Nil

#### **RECOMMENDATION**

**That Council approved the increase in the Sports Participation Project budget by up to \$7,000.**

#### **FURTHER CONSIDERATIONS**

Consideration has been given to the recommendation's impact on Council's service delivery; image and reputation; political; environmental; health and safety; employees; stakeholders and project management; and no further implications or risks have been identified.

#### **SUPPORTING INFORMATION**

Council offers a sports participation program to support families and individuals to meet the additional expenses of representative sports participation, which often includes significant travel and accommodation expenses.

Council's policy is governed by Strategic Policy ST029 – Donations and Grants Policy which governs the application of grants and donations.

The annual allocation of funds for the Sports Participant Program is \$13,900 budget in each financial year. This amount has not increased since 2016-2017.

## 2.1 Orange Sports Participant Program

---

The budget has been sufficient to meet applications in those years with the exception of 2022-23 where there was an overspend against the allocation. This overspend did not become apparent until the end of the 2022-23 year by which stage Council's budget process for 2023-24 had been completed.

The main category that sports participants seek support for are Regional, State and National Representation. Maximum support once per year per applicant per sport is \$250, \$500 and \$1,000 respectively.

Council has the ability under the policy to reduce the level of support for each category if the budget is likely to be exceeded. However, this is difficult to determine in the early stages of the year.

Council can take the approach to reduce the level of support for all applications to remain within the available budget. Based on the last financial year this would see the level of support drop by 33%.

The support for Regional, State and National Representation would drop to \$165, \$330 and \$660 respectively.

Alternatively, Council could increase the potential total allocation to \$20,000 to enable it to maintain the level of support provided in previous years.

A summary of the program categories follows:

### Program Categories

Maximum\* of \$250 per applicant (\*a lesser amount may be donated).

Council will consider allowing a service club to expend the donation over a three-year period and to apply for the same project in the second and third year if the funding for the project total has not been fully raised (but not to apply for donation for a different purpose during this period) and the service club must submit an acquittal in each of the three years.
- The maximum donation amount can be exceeded for not-for-profit organisations working with the vulnerable. Applicants still apply within the maximum donation amount in the relevant category.
